(X) 3. The trustee's application to dispose of books and records of the debtor(s).

- (X) 4. The trustee's application to abandon as burdensome to the estate whatever interest the estate has in the following described property:
- () 5. The trustee has made objections to claims; the trustee has asked that these claims be examined and rejected/disallowed, or reduced for the reasons stated on the objections to claims which have been separately served upon the creditors whose claims are being objected to:

NOTICE IS FURTHER GIVEN that the final report and the above applications and objections are filed in the office of the Clerk, United States Bankruptcy Court, for inspection by an interested party.

NOTICE IS FURTHER GIVEN that any or all of the above applications objections, and/or procedures may be approved by the court unless a party in interest files a written objection within twenty (20) days from the date of this notice with the court, and serves a copy on the trustee and the U.S. Trustee setting forth the grounds for such objection. If an objection is filed, a hearing will be scheduled on the objection with only the objecting party receiving notice of the time and date of such hearing. Any party that has filed a written objection may have their objection not considered by the court.

NOTICE IS FURTHER GIVEN that all estate funds will remain in interest bearing accounts until such time as the trustee makes a distribution of funds.

Dated: December 13, 2006
