

VOLUNTEER ACHIEVEMENT AWARD HOSPITAL AUXILIAN AND VOLUNTEER ACHIEVEMENT AWARD

The United Hospital Fund is dedicated to creating the health care system all of us want for ourselves, our families, and our neighbors.

Please consider honoring one of today's extraordinary volunteers or auxiliaries, and supporting the work of the Fund, by becoming a Patron or Sponsor. This unique awards program brings public attention to the invaluable contributions of our honorees, and the other 50,000 committed volunteers in our city, who make such an important difference to patients and their families and extend the ability of New York's hospitals to provide the best care possible.

Patrons and Sponsors will be recognized in the event's Program and all gifts will be gratefully acknowledged. Please use the enclosed reply card to indicate your level of support.

Voluntary Initiatives*

The United Hospital Fund is a health services research and philanthropic organization whose mission is to shape positive change in health care for the people of New York.

Through its Committee on Voluntary Initiatives, the Fund supports and promotes volunteer service and leadership in hospitals and health care in New York City. It awards grants to volunteer programs that improve the hospital experience for patients and their caregivers, convenes volunteer task forces to address specific issues, organizes educational forums for volunteers and the professionals who work with them, and sponsors recognition and recruitment programs to draw attention to voluntarism as a vital force in health care.
