Message from the Rav

בס"ד

Dear Friends,
Tonight, we have the privilege of honoring two couples who are involved in the larger Passaic/Clifton Community.

Who can ever forget the email alerts during Hurricane Sandy which assisted us in so many ways and informed us when our power was coming back on? George and Phyllis Matyjewicz were the pillars of strength and inspiration during the crisis. However, it goes much further than Sandy. Through info@ourkehila, George has constructed the most unified and effective email system in our neighborhood. By giving us constant updates on weather alerts and traffic problems, and informing us of upcoming events and Shiurim, all of us have become dependent on the Chessed of George and Phyllis. We now have the opportunity to show them a small amount of gratitude by celebrating them as this years guests of honor.

Rabbi Zelig and Mrs. Mindy Mandel are also benefactors to so many in our neighborhood. Through Sofer Plus, Rabbi Mandel has succeeded in helping out many families by supplying kosher reliable Mezuzos to our homes and Tefillin for our Bar Mitzvah boys. Mrs. Mandel is also involved in many Chesed activities and has helped many in our neighborhood. They are shining examples of service in Torah and Mitzvos, and truly deserving of recognition as this years Tomchei Torah Award recipients.

We are truly blessed to have the opportunity to thank both the Matyjewiczs and the Mandels this evening. May we all continue to benefit from the fruits of their labors!

Letter from the President

בס"ד

As the Ahavas has grown, Baruch Hashem, we provide services to hundreds of people—members and non-members – from the larger Passaic-Clifton community. We have about thirty Minyanim every day for Shacharis, Mincha and Ma'ariv. When the door locks after the last Minyan at midnight, the cleaning crew gets to work, only to be out a few hours later in time for the Vasikin Minyan. Our Beis Medrash, stacked with Seforim, is frequented from early morning into the late night by adults and Bochrin, most of whom are not yet members of the Ahavas. Our Rav, Rabbi Eisenman, is also busy day and night, often with non-members who seek his wise and compassionate advice. The Ahavas is the community Shul of Passaic and Clifton.

It is most appropriate that this year we are honoring two couples, both of whom are known for their community efforts - George and Phyllis Matyjewicz and Rabbi Zelig and Mindy Mandel.

Both George and Phyllis have full-time jobs outside of the community. A few years ago, they recognized a critical need in our growing community, to coordinate and communicate the many events of the shuls and organizations in town. George formed Our Kehila, Passaic and Clifton's own Town Crier. We didn't know how valuable this would be until we were hit by Hurricane Sandy, and the whole region was devastated by wind and rain and declared a disaster area. With no electricity or gasoline and shortages of many essentials, the lives of many in our community were in jeopardy. George sprang into action, distributing up-to-the-minute information on open gas stations, availability of food and other essentials, and restoration of transportation and electricity. He matched people who had flooded basements with people who had water pumps, and houses that had no power with those who could lend a power generator. In short, George played a critical role in bringing our community back from the brink of disaster.

בס"ד

Phyllis has made her own unique mark on the community. Phyllis has made the Matyjewicz home a hospitable and welcoming place for singles and marrieds. When invited to their home for Shabbos or Yom Tov, you are assured of a warm, convivial atmosphere and a delicious meal comparable to the best restaurant.

Rabbi Zelig and Mindy Mandel have been integral members of the Passaic community since 1991. Rabbi Mandel is one of our community's Sofrim. As such, he is the person to go to buy a new pair of Tefillin or to check your old ones. You don't want to be caught with Posul Tefillin. When you move into a new home, Rabbi Mandel will supply all the Mezuzos you need, or he'll make a house call to check your old ones. Little-known is his enthusiasm for running and biking. He replaces his black hat with a helmet and rides long distances raising money for Chai Lifeline. He gives the Daf Yomi shiur when Rabbi Eisenman is away. Rabbi Mandel may be short in height but his love for chessed and his quiet midos make him a giant in our community.

Mindy, his Aishes Chayil, runs the Mandel house, no easy feat for a busy mother. Somehow she also finds the time to help out with setting up the Kiddushim on Shabbos and Yom Tov mornings.

Our Shul is privileged to be honoring these two pillars of the Passaic-Clifton community.

Mr. George & Mrs. Phyllis Matyjewicz

Guests of Honor

בס"ד

George & Phyllis Matyjewicz moved from New York City to Passaic in 2005, thanks in part to fellow honoree Mindy Mandel. The previous year, Phyllis had contacted Mindy for help in toveling a set of dishes. During their conversation, Mindy gave the couple, who were not yet frum, a Partners in Torah brochure.

Intrigued, the Matyjewiczs came to Passaic to learn more about Yiddishkeit, and quickly fell in love with the community and the observant lifestyle. George, who was not born Jewish, underwent an Orthodox conversion, and the couple immediately had a Halachic wedding—16 years after first getting married!

Since then, both George and Phyllis have established themselves as pillars of the community. In addition to serving as Executive Director of Hatzolah of Passaic/Clifton, George is on the Board of Advisors for Partners in Torah and helps maintain Our Kehila, an online community calendar and email list. Our Kehila has been an invaluable resource for so many, especially in the aftermath of Hurricane Sandy. How many of us depended on George's email updates to find out which shuls had power, and which gas stations had the shortest lines?

The Matyjewiczs credit Rabbi Eisenman with helping them navigate Halachic issues relating to Our Kehila, and they appreciate the warm atmosphere the Rav has instilled in the Ahavas. The shul, in turn, is proud to honor the Matyjewiczs as this year's Guests of Honor.

Rabbi Zelig and Mrs. Mindy Mandel

Tomchei Torah Award

בס"ד

Rabbi and Mrs. Mandel have been members of the Passaic community for 22 years. They first moved to Passaic from Eretz Yisroel in 1991. From the beginning, Rabbi Mandel has performed an integral function as the community's Sofer; inspecting, repairing, and producing countless Tefillin, Mezzuzos, and Sifrei Torah over the years. Rabbi Mandel also served as the Rav of Congregation Ahavath Yisrael in Morristown, NJ from 1992-2010. While the family continued to live in Passaic during that time, they commuted to Morristown for every Shabbos!

Befitting his on-the-move lifestyle, Rabbi Mandel is also an avid runner and biker, and is active in local running and biking groups. The "running, rolling Rabbi" has run four marathons and rode in Bike4Chai twice, raising money for Chai Lifeline.

In addition to their community-wide work, the Mandels have made an indelible mark on the Ahavas. Rabbi Mandel often gives Shiurim in the Shul, including Daf Yomi when Rabbi Eisenman is away. This relationship stretches back to the Rav's pre-Ahavas days, when he and Rabbi Mandel learned B'Chavrusa. Mrs. Mandel—who has worked as a secretary at Yeshiva Ktana since 1995—is also a fixture in the Shul, helping to set up the Kiddush on Shabbos mornings. Setting up Kiddushim is actually a family tradition, and many of the Mandels' children have participated with their mother and grandmother throughout the years.

The Ahavas is proud to recognize the Mandels with this year's Tomchei Torah Award.

We sincerely thank all those who help to make the Ahavas  
a Shul where all feel welcome, appreciated and respected  
where children can have a positive Shul experience, where the  
Rabbi is not afraid to say and write the words which need to be said  
about topics like basic Menschlichkeit, respect for others, smoking,  
teens at risk, and even parking; where the inspiration fills  
Ellul & Tishrei from the first shofar blowing to the last Hakafa  
(with or without tickertape...);  
as much as the joy fills the Purim festivities,  
(be it Pashut or not quite ready for Chol HaMoed);  
where the Shabbos and Yom Tov davening are so beautiful,  
and take place in an atmosphere of respect  
for the Kedushas Bais Hakneses;  
where opportunities to learn Torah abound....

In short, a Shul which is a true source of Nachas to the Borei Olam!
